Christmas Menu
2020

Well 2020 was a bit much wasn't it! Happy Christmas and it's great to see you.

Take a seat and relax. Unfortunately our time together may not be as long as we would wish, but we hope it will be a good time.

Below is a list of some great winter inspired beverages to warm your soul. Lots of dark spirits, spices, comforting flavours and few surprises thrown in for good measure.

Wear sunscreen. If anything seems aloof or mysterious don't be afraid to ask any of us as all of the beverages are a team wide collaboration, and please, any allergies of any kind make us aware as soon as possible. Check in on the old social media and remember your parents have more dirt on you than you know.
